

I'm not robot!

2/4/2016 9:37:20 PM Printing Sheet Music To Whom It May Concern: Hello; Today on 2/4/16, I purchased "Send in the Clowns" by Stephen Sondheim. I purchased it and attempted to print it in a hurry, and unfortunately only the third page printed out. I was rushing to school and was trying to get someone from Musicnotes Customer Service on the phone to see how we could fix the situation. I ended up leaving a voicemail, but being impatient, I called back 20 minutes later and was able to get a hold of someone. I cannot remember the womans name that I spoke with, but the poor lady could hardly hear me because I was in my car. Finally she asked if I had called earlier and I said yes and that I left a voicemail. Her co-worker Rich had just gotten back to me and left me a voicemail as I was speaking with her. Rick was able to give me two extra prints and I successfully used one when I arrived at school. I try not to be "that" customer and I hope I didnt come across that way on the phone. I thank both Rich and the lady whose name I cannot remember, (hopefully it can be traced?) for being patient with me on the phone, and for Richs voicemail explaining which steps to take next. Thank you both for your excellent service!
